Education

Post Graduate Certificate of Education

SECONDARY MATHEMATICS

University of Sussex

2017 - 2018

Bachelor's Degree

BENG (HONS) AERONAUTICAL AND ASTRONAUTICAL ENGINEERING

Specialising in Control Theory and Computational Fluid Dynamics

University of Southampton

2010 - 2014

A Levels

MATHEMATICS: A*, FURTHER MATHEMATICS: A*, ELECTRONICS: A*, PHYSICS: A

Welbeck DSFC

2008 - 2010

Experience

Teacher of Mathematics and Computer Science

Barton Peveril Sixth Form College

2019 - Present

- Delivery of lessons for: A Level Computer Science; GCSE and A Level Mathematics; A Level Further Mathematics; CTech Electronic and Electrical Engineering.
- Mentor to Computer Science PGCE student, monitoring and supporting pedagogical growth.
- Creating a new scheme of work, lesson plans and resources and homeworks for the Electrical Engineering Unit, designed to be used by specialists and non-specialists across the department. Supporting colleagues with this delivery.
- Running competitive Engineering and Robotics extra-curricular groups. Supported groups for: Industrial Cadets; CanSat; Big Bang; Samsung Solve; Student Robotics; FirstUK Technical Challenge;

Examiner

AQA

2024 - Present

- Marking of A Level Computer Science scripts to a tight deadline.
- Moderation, discussion and improvements of mark schemes before marking period.

Key Skills Panel - Programming

Dr Frost Learning

2023 - 2025
